How Did I Do?

Writing genre: Persuasive Essay

1. What was the most effective part of your persuasive essay?
2. How persuasive was your essay? Did it convince your readers that your point of view was correct?
3. How effective was the beginning of your essay? Did it stimulate the reader to find out more?
4. Were your goals stated clearly? How well did you support those goals with facts and details?
5. Did you build an effective case for your position using facts and details? Did your facts and details support your reasons?
6. Did you avoid run-on sentence errors?
7. What would you change in your persuasive essay if you were to write it a second time?
8. How effective was the ending of your persuasive essay? Did you summarize the key arguments for your opinion or point of view?
